Gardens & Trails - Ecuador

The tour explores the unique environment of the equator in the high sierra mountains of Ecuador. Mornings will be for touring: the rim of Cuicocha lake, the condor park, the leather village of Cotacachi. The energetic will visit Mojanda lakes. Stay at the contemporary “healing hotel” of Sachaji with round yoga studio nestled into the mountainside with views of Imbabura volcano and San Pablo de Lago! Enjoy the welcome at the studio and home of local craftsmen. On Saturdays the Otavalo Market bustles with people and local goods. Travel to Intag cloud forest to a private refuge of biodiversity unique in the world; then change cultures to the capital city of Quito with its top ranked restored colonial old town -a short walk to churches, museums & World Heritage site landmarks! Your trip wraps up at Hacienda Cusin , a restored 1602 hacienda in San Pablo de Lago.
